* If records are being audited you must keep the records the longer of required time frame or until audit is completed. Should check with your malpractice carrier to see if they require you to keep records longer than indicated by Federal and State laws.

** Please note if patient is developmentally disabled, mentally ill, or an imprisoned minor records should be kept permanently.

*** Notification to patient is required before destruction of records. (Notification is either first class mail of last known address or notice in newspaper once a week for 3 weeks).
